Something to think about:

Scientific studies show that a typical milk jug, which is made from HDPE plastic, will take over 450 years to break down and decompose in the environment. Our products are made from recycled HDPE plastic which primarily comes from milk jugs.

BENCHES

Polly Products Benches – Sustainable, Durable, and Timeless. Crafted from 100% recycled plastic, our benches offer a perfect blend of strength, style, and sustainability. Designed to withstand the elements, they resist rotting, and splintering, requiring little to no maintenance. Whether enhancing a park, business, or community space, our benches provide eco-friendly, and long-lasting seating solution.

"We are very happy with our memorial bench from Polly Products. The ordering process was simple, they company checked in with us periodically about our order, and the product was very sturdy and easy to assemble. The design and colors that we chose were exactly as they were shown on their web site, and their employees were always helpful and courteous." - Jamie K.

TABLES

Upgrade your space with Polly Products' recycled plastic tables, designed for strength, style, and sustainability. Crafted from 100% recycled plastic, our tables provide an eco-friendly alternative to traditional wood or metal furniture. Built to withstand harsh weather conditions, they resist cracking, & splintering—ensuring maintenance-free durability for years to come.

"I bought two picnic tables as a memorial for loved ones that recently passed. The tables came with a custom plaque that I designed. I was delighted with the final product. Polly Products customer service is top notch. The tables are great quality, delivered as promised and beautiful. I highly recommend Polly Products." - Sue S.

RECEPTACLES

Keep spaces clean and eco-friendly with Polly Products Receptacles, the perfect waste and recycling solution for parks, schools, businesses, and public areas. Made from 100% recycled plastic, these receptacles are built to last, resisting rot, rust, and splintering, while requiring minimal maintenance. Designed for convenience and sustainability, they feature easy-access openings, secure lids, and optional recycling labels to encourage responsible waste disposal. Available in a variety of styles, sizes, and colors, they seamlessly blend into any environment while promoting a cleaner, sustainable future.

ENGRAVING & PLAQUES

Engraving cuts into the surface of a bench board approximately 1/4" deep, creating a shadow effect. The visibility can vary depending upon ambient light and background color. Color resin inlays can make engravings stand out more or be used to create more colorful artwork and logos. Mile Markers can also be custom engraved with color inlays.

Each bench style has a unique set of specifications due to the size and number of boards that can be engraved. For the largest text, artwork and/or plaques, a 2" x 10" board is needed (Landmark or ADA Bench). For medium sized text, art & plaques, a 2" x 6" (Traditional or ADA Bench), or a 1 1/4" x 5" (Economizer-Traditional) would be used. Those benches using 2" x 4" or smaller planks, would only allow smaller text, artwork and/or plaques.

CUSTOM SIGNS

Make a lasting impression with Polly Products Custom Signs—where durability meets sustainability! Our signs are built to withstand the elements without rotting, or rusting. Whether for parks, businesses, golf courses, memorials, or directional signage, each sign is expertly designed for visibility, longevity, and a polished, professional look. With customization options—including engraved lettering, color choices, and unique designs—you can create a sign that perfectly reflects your message while making an eco-friendly statement. Elevate your space with a sign that's as resilient as it is responsible!

ENGRAVING SAMPLES

Elevate your furniture with Polly Products' in-house custom engravings. Our engravings feature crisp lettering, logos, and color inlays that withstand weather. Alternatively, add timeless elegance with bronze or laminate plaques in various sizes and finishes. Ideal for memorial tributes, veteran honors, buddy benches, or branded spaces—create personalized, maintenance-free pieces that last generations.

ARCHITECTS & DESIGNERS

Your Time Is Valuable. So Is Your Reputation. Every architect and designer knows the frustration: unreturned calls, delayed quotes, site furnishings that don't hold up. Your projects deserve better. At Polly Products, we understand that specifying furnishings shouldn't slow down your timeline or compromise your vision.

Why Leading Design Professionals Choose Polly Products

5-Star Customer Service Rating

"Customer service is top notch" – That's what our clients consistently tell us. We don't just answer questions; we become partners in your project success. When you call, a real person picks up. When you email, you get thoughtful responses—not automated replies.

Same-Day Quotes, Every Time

No waiting days for pricing. Contact us with your project specs and receive comprehensive quotes the same business day. Because we know your clients are waiting, and so are your deadlines.

We Actually Answer the Phone

Tired of leaving voicemails? We pick up. Our team is here to discuss custom engraving options, color selections, specifications, or anything else—in real-time. Call us at 877.609.2243 and experience the difference.

Trusted by Professionals Who Demand Excellence

"Quality of product is excellent. Customer service is top notch. Pricing is very fair. There are other companies that sell similar products, but I wouldn't go anywhere else."

"I would highly recommend Polly Products. From beginning to end, they were helpful along the way. We had to make several adjustments, and the customer service department made it all come together."

"Customer service was excellent. Highly recommend Polly Products!"

PROVIDE A POLLY

Give the Gift of Sustainable Seating

Make a lasting impact in your community with the Provide a Polly program! Whether honoring a loved one, supporting a local park, or enhancing a public space, this initiative allows you to donate a durable, eco-friendly product made from 100% recycled plastic.

Why Provide a Polly?

- **Personalized & Meaningful** – Add a custom engraving or plaque to commemorate a special person, event, or organization.
- **Built to Last** – Crafted from sustainable materials, our products resist weather, rot, and vandalism, ensuring long-term beauty and function.
- **Eco-Friendly Choice** – Every product diverts plastic waste from landfills, making it a gift that gives back to the planet.
- **Perfect for Any Space** – Ideal for parks, schools, trails, memorial gardens, and other community areas.

How It Works:

1. Choose a location and contact them to discuss their donation policies. You will need approval before ordering and placing your memorial.
2. Choose the product from our collection, or your local program.
3. Select an engraving or plaque option to personalize your donation.
4. Make a lasting difference in your community!

Are you interested in starting a Provide a Polly Program in your community or through your organization? Contact Polly Products at 877-609-2243 to set up or learn more about getting started. We will provide you with the flier, ordering form templates, and all of the information you would need to get started!

CANCELLATIONS: Because your order is made-to-order, we encourage you to carefully review your Order Acknowledgment for accuracy. We begin manufacturing your order shortly after receipt and have the following cancellation policy:

Orders canceled within 72 hours of order placement: no charge.

Orders in-process after 72 hours may incur cancellation fees.

DAMAGED CLAIMS: At Polly Products, we strive to deliver the highest quality products, manufactured and packaged with the utmost care. But we are only human, as are the shipping carriers. Please carefully inspect your package(s) upon arrival, and document any visible damage with pictures before opening cartons/pallets. Inspect components inside cartons/pallets for damage or defects and document with pictures prior to starting any assembly. All claims for defective materials or freight damage must be submitted to Polly Products within 48 hours and include invoice number, description and supporting pictures of the problem. Claims should be emailed to customerservice@pollyproducts.com, or faxed to 517-649-2284. Polly Products will replace parts for documented claims free of charge with return of defective/damaged component (at our expense for recycling at our facility). Please use packaging from replacement parts to ship the return, and call the carrier on the Return Authorization within 10 days of replacement delivery. Parts not returned within 10 days may be billed to your account.

RETURN POLICY: The customer may return any items within 30 days of the original delivery in accordance with the following: if the product is defective, or the return is a result of our error, Polly Products will replace at our option, or pay the return shipping costs. If the item is returned for any other reason, the customer is responsible for the shipping costs both ways and will be charged a restocking fee of 25%. A Return Authorization Code must be obtained from Polly Products Customer Service prior to returning any product. Returns will not be accepted, nor credit given without a Return Authorization. Please ensure the Return Authorization Code is clearly identified on the outside of the packaging. All returned items should be securely packaged in the manner received to avoid shipping damage. Credit will be issued in the same manner as payment within 10 business days of receiving the returned item in acceptable reusable condition. Credit will not be given for returns that are lost, damaged or missing components due to inadequate packaging. We recommend using a trackable & insured shipping method. For questions regarding returns please contact customerservice@pollyproducts.com or call: 1-877-609-2243 ext 221.

Ship authorized returns to: Polly Products, 12 N. Charlotte St., Mulliken, MI 48861

SHIPPING POLICY: Polly Products has negotiated discounts with freight carriers to get the best possible shipping rates for our customers. Orders are shipped via the most practical and economical option available to us unless, at the time of order placement, the customer provides specific instructions to use a carrier that they will pay directly. All of our products are shipped FOB (Free on Board) from our factory. The customer will be charged for freight on the invoice at time of shipment unless prior arrangements have been made.

Your order may be shipped by commercial truck carrier, which requires a forklift or liftgate to unload. Most residential and some commercial customers may need a truck with a liftgate, which can move the pallet from the truck-bed to ground level. Commercial truck drivers are only required to move freight to the tailgate or off the liftgate. Please discuss additional services you may require, (such as residential delivery, liftgate, prior notification of delivery) on the order form or with our representative as there may be additional charges. Our web site has a freight estimator for ground and truck freight based upon what is being ordered. This service is an estimation only. We will make every effort to meet or improve this estimate at the time of shipment, but cannot guarantee this rate as fuel surcharges are applied weekly by the carriers.

Should there be a delay of shipment in transit, Polly Products is not liable or responsible and invoicing terms still apply. Upon notification of a delay, we will be happy to track your shipment and help resolve any issues. To request an expedited shipping service or for information regarding International orders and options, please contact customerservice@pollyproducts.com for a freight quote.

These Policies can be viewed in their entirety on our website at www.pollyproducts.com

20-Year Warranty: Residential & Commercial

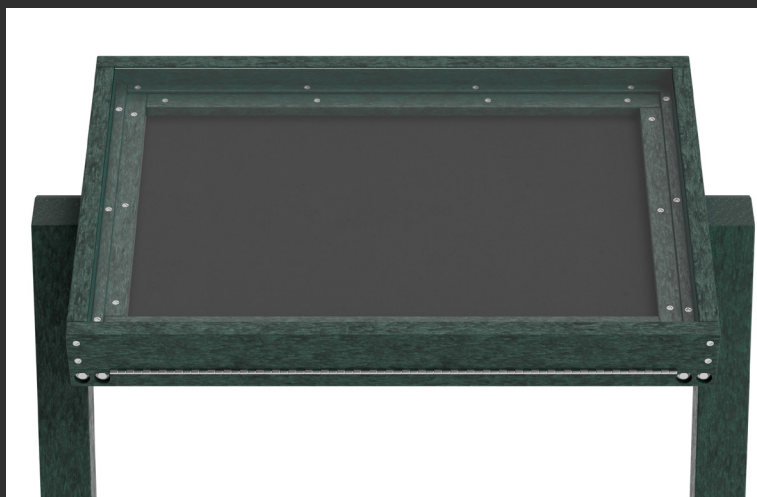

Made in America - Certificate of Authenticity

Polly Products certifies that all products are manufactured and assembled in the USA, using locally sourced recycled plastic. 95% of the materials used are manufactured in our plant located in the rural farming community of Mulliken, Michigan. We certify that our furnishings are made with at least 98% U.S.A. content.
